Congratulations from Samsung  
and thank you for taking part in the  
2008 Samsung Melbourne Marathon

The 2008 Samsung Melbourne Marathon, building on the values of community spirit and team work after the excitement of the 2008 Olympic Games, inspired both an unprecedented number of local and international runners as well as an exciting number of enthusiastic spectators.

As one of the largest fields to ever take part in a Marathon in Australia, added with the extraordinary number of entries over the three remaining races, all competitors are to be congratulated in enduring the warm conditions to realise their dream of crossing the finish line on the MCG during the Samsung Melbourne Marathon.

This was the third year that Samsung has proudly been associated with the Melbourne Marathon – an event which has grown from 7,000 competitors in 2006 to over 20,000 in 2008. Meanwhile over 300 animated competitors were able to be a part of Team Samsung – our biggest team ever! The increase in Event numbers only reiterates that the Samsung Melbourne Marathon is becoming a Melbourne institution – one that is being marked as a “must do” on many calendars around Australia and the World.

On behalf of all of us here at Samsung we would like to extend our sincerest thanks and congratulations to all the organisers, volunteers, spectators and participants who came together at the MCG on the second Sunday in October to help make the 2008 Samsung Melbourne Marathon the biggest and best ever!

## Mr KY Kevin Choi

Managing Director –  
Samsung Electronics Australia

Already one of Australia's favourites, the Samsung Melbourne Marathon reached a new level this year, as over 20,000 competitors participated in four different events. One of the world's great running races, Melbourne's top marathon has been part of our sporting life for 31 years.

In 2008, as in previous years, serious athletes tested their mettle alongside some of the world's best runners. Those who prefer to take things a little easier had the opportunity to take in Melbourne's beautiful spring scenery as they passed Federation Square, and majestic views of the Yarra River, Albert Park Lake and the Port Phillip foreshore. And participants got to experience that special moment – a triumphant lap of the mighty MCG!

The City of Melbourne is a proud sponsor of the 2008 Samsung Melbourne Marathon, as it promotes a healthy and active lifestyle and celebrates our city's beautiful open spaces.

Congratulations to all who competed. Whatever your level, you got out there and had a go and you should be proud of your achievements.

The City of Melbourne hopes you enjoyed this opportunity to make the most of our city's famous parks and boulevards as you upheld what has become a great Melbourne sporting tradition – the 2008 Samsung Melbourne Marathon.

## Dr. Kathy Alexander

Chief Executive Officer –  
City of Melbourne

On behalf of the IMG Team we would like to say a big congratulations and thank you to all competitors who competed in the 2008 Samsung Melbourne Marathon, Asics Half Marathon, The Coffee Club 10km and Active Feet 5.5km Run/Walk.

With record competitor numbers the event was a resounding success with some fantastic feedback from many competitors. The hot weather proved quite a test for us all, particularly the Marathon competitors. It is pleasing to know that our support staff and volunteers, in particular St. John's Ambulance staff handled the situation with great professionalism.

The course improvements were well received, in particular the Start Area in Batman Ave and the finish inside the MCG flowed very well. We will keep working on areas to make the after-race process of medals and drinks smoother next year.

With over 42 nations being represented, including athletes from Ethiopia and Morocco claiming the first 3 places in the Marathon, we are fast developing into a truly international event. We also had a great event with the Australian Road Running Championships in the Half Marathon with all States represented and running in their State colours. The Australian University Championship – Distance Running also attracted a record of over 1,000 competitors, all going well for the health of our nation.

We received great support from the Media, with widespread coverage on Channel 9, Herald Sun, 3AW, Mix FM as well as featuring on the Sunday evening news on every TV network.

There were some extraordinary journeys of human achievement in all events that make this event very special for Melbourne. One exceptional story was that of young Tate Kemp from our official charity, the Cerebral Palsy Education Centre, who completed his own 'marathon' in the Active Feet 5.5km Run/Walk and was a major factor in CPEC raising over \$100,000 to continue their great work. A huge thank you to CPEC also for their support and providing over 340 of the 850 volunteers.

A big thank you to all our sponsors – especially our naming sponsor Samsung – who has helped to lift the whole profile of the event and gone over and above in their efforts to make this event the success it has been. Special thanks also goes out to the MCC, Athletics Australia, and the City of Melbourne as without their support this event could not happen. While competitors have voted with their feet we are encouraged that this great Melbourne event is well and truly engrained in the Melbourne culture and we hope to see you again on the 2nd Sunday in October next year.

### Spartan Legends

Following the running of the 2007 Samsung Melbourne Marathon there were 13 Spartan Legends who had completed all Melbourne Marathons since the inaugural marathon back in 1978. Unfortunately, that number has now been reduced to eleven following this years run with the withdrawal of ever so popular Shirley Young at the 33km mark and Jack Gubbins, who decided not to run because of injury.
