# EXECUTIVE SUMMARY

**OCTOBER 13, 2024**

## **NIKE MELBOURNE MARATHON FESTIVAL**

On the 13th of October 2024, over 42,000 eager participants registered for a record-breaking year of the Nike Melbourne Marathon Festival. In a true display of grit and determination both elite athletes and recreational runners from around the world took to the closed streets of Melbourne, finishing on the hallowed turf of the iconic MCG.

2024 saw some great course improvements, with the completion of the Metro tunnel works, wider streets down St Kilda Rd and Domain Rd allowed for increased capacity in the Marathon and the Half Marathon, additionally for the first time the event secured the exclusive use of Fitzroy Street including the full use of the tram lines which removed a number of merge and congestion points previously endured.

The event had an extremely strong elite field across the Marathon and Half Marathon who would compete for an elevated purse with first prize in the marathon reaching \$25,000. The debut of the Mini Marathon was a highlight, there was a new level of excitement and anticipation surrounding the event, after all running distances reached capacity in record time and the waitlist reached the lofty heights of 45,000 people waiting for spots to open up in the Full, Half and 10km distances.

Race weekend kicked off with the first ever Mini Marathon taking place in three waves for kids 12 and under to run 1km in Yarra Park. The day was supported by a new speaker program hosted in the Village, competitors could listen to organisers and experts on all sorts of topics from what to expect on race day, a unique insight from one of our Spartan Legends, Wayne Thompson, a chance to meet your pacer and elite interviews. Saturday was a huge success and made for a terrific festival atmosphere in anticipation for the big day.

Race day saw five distances with all participants commencing at Batman Avenue before completing their efforts with a lap on the iconic MCG turf. The events encompassed the Nike Melbourne Marathon (42.195km), Nike Melbourne Wheelchair Marathon (42.195km), Nike Half Marathon (21.1km), Sri Lankan Airlines 10km run, Big M 5km run, and Chobani Fit 2.5km walk. The enthusiasm and dedication of all participants throughout the day made this year's event truly extraordinary, reinforcing its reputation as Australia's largest marathon running festival.

After securing his third win in the Nike Half Marathon last year, Melbourne's very own **Jack Rayner** won the men's 2024 **Nike Melbourne Marathon** in his debut for the distance with a time of 02:11:49, taking home \$25,000 in prize money alongside the inaugural Steve Moneghetti Award as the first Australian male to cross the finish line. Second place was secured by **Ryan Gregson** from Queensland running 2:13:31, followed by New Zealand's **Christopher Dryden** in third place with a time of 2:18:10. **Genevieve (Gen) Gregson** in her first year competing in the **Nike Melbourne Marathon** was the female winner with a time of 2:28:13, securing the Kerry McCann Award as the first Australian female finisher, and a cash prize of

\$25,000. The win comes after Gen also took home first place in the Nike Half Marathon at last years event and has since competed at the Paris Olympics. Joining Gen on the podium were two Melbournians, with **Sarah Klein** in second with a time of 2:31:05, and **Kate Mason** in third with a time of 2:34:08.

The **Nike Half Marathon** was won by **Andy Buchanan** with a time of 1:01:42, setting a new personal best time in his first year on this course. Making his half marathon debut, **Haftu Strintzos** placed second with a time of 1:02:24. Queensland's **Liam Boudin** secured third place with a personal best time of 1:02:32. **Leanne Pompeani** was the first female to complete the 21.1 km distance with a time of 01:09:01. With only eight seconds the difference, **Jessica Stenson** placed second with 1:09:04 and **Izzi Batt-Doyle** in third at 1:09:04. All three females achieved personal best times on the Melbourne course.

The **Sri Lankan Airlines 10km** was won by **Dale Carroll**, another Melbournian, with a time of 29:20. **Bronte Oates** from Sydney was the first female to cross the finish line in a time of 33:00. The **Nike Melbourne Wheelchair Marathon** was won by Spartan **Ian Gaaney** who crossed the Melbourne finish line for his 32nd time.

The event also facilitated a record-breaking year for fundraising, with **\$2 million** raised for **379 charities** all spreading awareness and raising funds for deserving causes, including the events new platinum charity partners **Beyond Blue** and **Running for Premature Babies**.

Special mention also to our Volunteer Charity partners led by CPEC and JMB Foundation, both wonderful organisations contribute significant numbers of volunteers to support the program, from marshals, drink station staff, to start and finish line support. Without the dedication and commitment of over 1,000 volunteers the event would simply not be possible.

The success of this event owes much to the generous support of our partners. We extend special gratitude to our title partner, **Nike**, and our esteemed premium partners Sri Lankan Airlines, Coinbase, BMW, Gatorade, Bupa, Garmin, Chemist Warehouse, Chobani Fit and Big M along with associate partners, Forty winks, Maurten, City of Melbourne, St Ali, Detpak, Grill'd, Soundcore and Scholl.

The enthusiasm and dedication of all participants throughout the day made this year's event truly extraordinary, cementing the reputation of Australia's largest marathon festival. Congratulations to the winners and all participants in the historic 2024 Nike Melbourne Marathon Festival! We look forward to seeing you again as the festival returns to the streets of Melbourne and the MCG on Sunday, October 12, 2025.

# THE RACE

## NEW MARATHON RECORD

We saw a record-breaking **8,669 marathon finishers**, up by 723 from last year's total of 7,946. This is our highest turnout yet, with only the Sydney Marathon (2023 & 2024) recording larger numbers.

## WOMEN'S MILESTONE

A record 34 women finished the marathon in under three hours, with 32 of them being Australians. This marks the most Aussies ever to break the three-hour mark in a single race.

## AUSSIE DOMINANCE

Olympian **Gen Gregson** continued the tradition of top Australian women dominating our marathon. Of the last 13 winners, 11 have been Aussie females, all of whom have represented Australia at World Cross Country, Track & Field Championships, or the Olympics.

## HALF MARATHON RECORDS FALL

Both male and female records were shattered in the half marathon this year.

**Men's Record:** Bendigo's Mayor, Andy Buchanan, ran an impressive 61:42, beating Kenya's Wilfred Murgor's 2011 record of 61:57.

**Women's Record:** The top three female runners all surpassed Gen Gregson's 2023 record of 70:07. Canberra's national cross-country champion, **Leanne Pompeani**, claimed victory with a time of 69:01, edging out Paris Olympian **Jess Stenson** by just two seconds.

## SPARTAN LEGENDS

Our three Spartan Legends, who have completed every Melbourne Marathon, continued their streak:

**Wayne Thompson** finished in 3:41:25, winning the 70-75 age category.

**John Dobson** completed the race in 5:41:45.

**David Foskey** crossed the finish line in 6:11:36.
