# EXECUTIVE SUMMARY

**OCTOBER 13**

## **2019 MELBOURNE MARATHON**

The Melbourne Marathon Festival for the second year in a row achieved another record 37,185 participants and a new highlight as the largest ever Marathon event in Australian history.

Melbourne turned on an almost perfect day for the event with cool morning conditions and little wind, this was favourable for the elite field, highlighted by two Kenyan athletes taking out the honours firstly, our 2017 Champion Isaac Birir and Naomi Jepkogei Maiyo taking victory on the day in the Marathon recording times of 2hr16mins31secs and 2hr35min34secs respectively.

I would like to record our sincere appreciation to all of our sponsors, with particular thanks to our long term partners ASICS and Active Feet. In 2019, Sri Lankan Airlines were back for their third successive year as our title sponsor of the events largest race the Half Marathon which once again was a sell-out event for the second year in a row. I would also like to thank GARMIN who powered the event App which housed the live stream enjoyed by over almost 100,000 people on the day. The Festival again attracted significant media exposure, whilst on the ground the Festival again delivered more activations, more exhibitors, more entertainment with bands, DJ's and a new edition in 2019 – The Village, an entertainment precinct in Yarra Park with a big screen, music, food trucks and bars.

Thousands of runners took us on their #melbmara journey pre, during & post-race by sharing their photographs & videos predominantly through Instagram, which is becoming our fastest growing channel. This user-generated content shared through Melbourne Marathon official channels, as well as our own stories, images & engaging content saw 8.5 million people exposed to the festival.

The entire festival was streamed live through our YouTube channel, website & mobile app, which brought in over 22,000 viewers across the day.

Now in its fourth year; the official Melbourne Marathon app saw a further 10,000 downloads with users spending over 10 minutes tracking their friends & families taking this to a total of over 74,000 users.

Over 38,000 hours were spent on the website in the lead up to the event where visitors enjoyed our tailored training, nutrition & performance content.

The Melbourne Marathon solidified its position as the largest Marathon and Half Marathons in Australia and is set to raise in excess of \$1.5 million dollars for charity. We also acknowledge CPEC, our official premier charity partner, for their incredible support of our event and the work they do with so many kids in need.

In closing I wish to thank and congratulate, all the winners, my team at IMG that deliver this fantastic event, the volunteers who work tirelessly on the front line and behind the scenes, the Spartans, our trusty suppliers and of course last but certainly not least all of our participants who contributed to a wonderful day at the 2019 Melbourne Marathon. I look forward to seeing you all at the finish line next year.

# 2019 MELBOURNE MARATHON

Melbourne again turned on a perfect morning for running with very light winds and the temperature hovering around 13C when the race started before reaching a top of 23C when the last runner crossed the line at just before 2pm. The night before, in Vienna, the world's fastest marathoner Eliud Kipchoge had become the first person to break two hours for the marathon, albeit with pacemakers and the latest shoe technology, setting the scene for a record-breaking day for many entrants.

## MARATHON NUMBERS

Congratulations to all those who finished this year's event and you can say to everyone that you took part in Australia's largest ever marathon. Entries jumped up by more than 1000 to just under 8500 this year, prompting organisers to enforce an entry closure with a week to go. But statisticians across the world use finishing numbers to determine size of an event and all up 7026 crossed the line on race day after completing the 42.2km. By way of comparison, Gold Coast had 5775 finishers this year and the Sydney Marathon had a record 4492.

## SRI LANKAN AIRLINES HALF MARATHON

It was another record-breaking year for the half. Roadworks along St Kilda Rd have prevented us from increasing our race capacity, but no-shows were down and we managed to set our own race record with 10,200 finishers - the first time we have surpassed the 10,000 figure and once again we claimed the crown of being Australia's largest half marathon this year.

There were also some super times in the half with incredibly close races. Sydney's Tom Do Canto (64.29) added the half title to his marathon crown from 2016, when he won a sprint finish with Perth's Nic Harman (64.31), while Adelaide's Tara Palm (71.27) was closing the gap on super-talented Melbourne-based Ethiopian refugee Makda Harun, who won in 71.15 – our second-fastest time ever.

## ASICS 10KM

This was another event that reached its race capacity two weeks out from the event and this year's tally of 8393 finishers eclipses our previous record of 8154 finishers in 2013. Local middle distance runners Jordan Williamsz (29.35) and Matthew Clarke (29.46) had a close duel, while Whitney Sharpe (33.45) continued her strong winter season with St Stephen's Harriers to hold off Olympian Madeline Hills (33.52).

# THE RACE

## MEN

Perth-based Kenyan pair Isaac Birir and William Chebon seemed inspired by Eliud Kipchoge's overnight feat and immediately set out at race-record pace. The pair covered the first 5km in 15.22 and when Chebon began slowing a little at just before the 9km mark, Birir faced a difficult choice of whether to turn the race into a virtual solo time trial. "We were planning to run together the whole way, so when I moved away that early I was thinking I'm not used to running alone. I may have done the wrong thing here," Birir said. He was more than 200m ahead of his training partner by half way (66.06) and noticeably slowed from 35km to finish in 2:16.31. Chebon was second in 2:17.53.

A pack of eight, primarily Australian runners, had started out at 2:17 pace covering the first 10km in 32.40, before one by one they fell away. After a surge up Birdswood Avenue near the shrine, Coffs Harbour's Park Run record-holder Reece Edwards broke clear of Doncaster's Dave Ridley, Japan's Takashi Mino and Ryan Geard to be first Australian home in 2:19.00. Westbourne Grammar PE teacher Geard was sixth in 2:21.19 to take out the Victorian title. Perth's Dean Menzies, who went off at an easier pace, charged home for seventh in a PB 2:21.23.

In all 67 men broke 2:40 and 345 achieved the coveted sub 3-hr mark – the most at Melbourne since 1987.

## WOMEN

Naomi Mayo broke a run of seven consecutive Australian winners in Melbourne, but it wasn't completely plain sailing for the 30-year-old from Iten in west Kenya.

Initially she had a dream run nestled in a pack of about 25 male runners, including former Olympian Shaun Creighton, who were sitting on sub 2:30 pace.

But just before the half way mark she started to tire and with a slight cramp in her left calf, had a tougher time on her own, before crossing the line in 2:35.34.

Sydney's Marnie Ponton went through half way in 76.33, but was caught by Perth's Nera Jareb, who had been running with Lydia O'Donnell to 25km, just before the 30km mark.

Jerab has only just returned to 120km training weeks after a stress fracture of her femur, but her cross-training strength (she has done nine Ironmans in the past) paid off as she moved through to claim second in a PB 2:36.41.

"I was injured almost all of last year, so I'm really pleased to go so well here and on the Gold Coast," Jerab said. "I have a Croatian passport as well and a few people have said you should race for them, but I am very proud to be Australian and this is a huge highlight for me. I'll never forget coming over with Lauren Shelly and a group of Perth runners in 2012. I came ninth back then."

Charlotte Wilson, encouraged by partner Liam Adams, was fifth in 2:44.17 and claimed the Victorian title.

There were 14 women who broke three hours and 111 under 3:30.

## AGE RECORDS

Five age category Melbourne Marathon race records were set on Sunday.

Isaac Birir, now 40, broke Rowan Walker's 2010 mark of 2:18.01 with his winning time of 2:16.31.

Former Olympic steeplechaser Shaun Creighton, 52, clocked 2:29.25 to knock more than two minutes off Michael McIntyre's 2:31.30 record for 50-55 year olds.

Brisbane grandfather, John Shaw, a late starter to running at age 60, continued his astonishing rise in running a phenomenal 2:51.25 to smash Bob Lane's 65-69 age group record by almost 18 minutes.

Kuala Lumpur Commonwealth Games silver medallist Lisa Dick, now 51, narrowly missed her sub 3 hour goal but her time of 3:03.22 knocked a couple of minutes off Tracie Edmondson record in the 50-54 age category.

Brisbane's Murial McLean had to wait 30 seconds to get through the start line but went on to take one of the legendary Shirley Young's records. McLean clocked 3:20.41 in the 60-64 category.

Special mention also to Charles Harcoan, who turns 80 in December, and finished in 5:27.30, well inside Antony Martin's 80-84 best of 5:38.09. Chas missed the first Melbourne race in 1978 but has completed every one since, but he'll have to wait till next year to remove Antony's mark.

## WHAT THE WINNERS SAID

### NAOMI MAIYO

**Winning time: 2:35:34**

"I was training with Kipchoge's group in Kaptagat and he wished me good luck. I was watching him last night. I knew he'd break 2 hours.

"I was trying to win and break the record but from half way I was a little sore (left calf). I love travelling (she has won marathons in Taiwan and Athens). "Melbourne is so nice. The weather is good and the people are friendly."

### ISAAC BIRIR

**Winning time: 2:16:31**

"I have been studying coaching for Athletics Australia and I now have a group of quite a few runners in Perth (including Chebon). I have applied for permanent residency but I am still waiting.

"We weren't really going after the record, but we were hoping we could run around 2:12. Once he (Chebon) dropped off, I knew it was going to be really hard."

## WHAT THE WINNERS SAID

### SPARTAN LEGENDS

Congratulations to all our Spartans, led by our five evergreens who have run every race and made it to the finish line. Three of the Spartan legends are pictured here.

Wayne Thompson was first home in 4:06.46, while John Dobson clocked 4:29.34. David Foskey (5:42.33), Bruce 'Digger' Hargreaves (6:17.31) and Roger Weinstein (6:51.01) all used the slow course marathon circuit along Brunton Avenue to help get them home before race pack-up.

*John Dobson, David Foskey, Roger Weinstein*

### LUCIA'S ANGELS

Congratulations to this year biggest fundraising team 'Lucia's Angels' who raised over \$100,000 for the Royal Children's Hospital cardiac unit.

Sally Crinis undertook her first Melbourne Marathon as a tribute to her daughter who passed away in July, just 99 days old.

Sally rallied an incredible support team of more than 250 family, friends and colleagues to take part in this year's Melbourne Marathon Festival.

We hope to see you back next year!
